### WILLIAMS BOYS ARE FOUND GUILTY

Escaped Last Term on Technicality-Judgment for \$73,000 Before the Court.

Direct charges were made in court resterday that the suit against the Bow Wong wing of the United Chinese So? ciety was instigated by Consul Yang Wei Pin. Judge Silliman, appearing for the defendants in the action of the Territory of Hawaii vs. C. K. Ai et al., said that he would prove the charge, and that consequently the present plaintiffs had no right in court. It developed also that for a time the affairs of the United Chinese Society had been conducted by the Chinese Minister at Washington. It was shown during yesterday's hearing that the by-laws had not been complied with for years, and Andrews for the plaintiff claimed that the officers elected sixteen years ago were still entitled to officiate. Silliman contended however that the present offors had been legally elected, according to the charter and by-laws, and said that three separate elections had been held in order to conform strictly with all the conditions.

Li Cheung, who is one of the officers of the Bow Wong faction, was on the stand for nearly the entire day yesterday, and will resume his testimony this morning.

"Is it not a fact,"asked Silliman of this witness, on cross-examination, that these proceedings were directly instigated by the Chinese Consul?" "I didn't look at it in that way."

"Is it not a fact that you were acting under the direction of the Chinese consul in bringing this suit?" "No, sir."

"Are you willing to state this under your selemn oath?"

The question was objected to and sustained. Judge Silliman stated that he intended to prove that the plaintiff's in this action were acting in bad faith, and that the Chinese consul had instigated the suit, and was the real party plaintiff. Consequently he argued that the case should be thrown out of court. Li Cheung testified also that the Chinese Minister at Washington had at one time directed the affairs of the society, and appointed the president during the absence in China of the man who had been elected to the position.

WILLIAMS BOYS CONVICTED. Edgar and Robert Williams, the two argroes who escaped punishment at the last term of court through a legal technicality, were convicted in Judge Robinson's court yesterday afternoon. Sentence will be imposed on Saturday morning. The two defendants were placed on the stand in their own behalf yesterday morning. Both said that they knew nothing of the robbery, other than that they had been employed by O'Connell, the police informer, to remove the trunk containing the stolen jewelry. The arguments Were brief and the jury was instructed at the opening of court in the afternoon. After deliberating about ten minutes a verdict of guilty of larceny in the first degree was reached and reported to the court. The defendants asked that they be sentenced Saturday and the request was granted.

A \$73,000 JUDGMENT. There was a long and heated discussion yesterday over a judgment formerly obtained in Circuit Court by Gustav Kunst against W. H. Pain and Paul Neumann for \$73,000. This amount was loaned to defendants by Bishop & Co. to finance a sugar proposition on Lanal, and over a year ago the mortgage on the Island of Lanai was foreclosed to secure the money, and an execution was issued, but not served. The present suit is to enforce the execution, and Paul Neumann having died in the meantime, his widow and executrix was substituted. Yesterday when the case was called up a plea in bar was offered by Mrs. Neumann. Her attorneys contended that if the execution formerly obtained was good as against her, then its collection was barred be-cause the claim had not been made against the estate within a year as provided by law. On the other hand if she had no interest in the property as was admitted, then she was not properly a party to the present suit. The plea in bar will be presented next Thursday.

HABUAS CORPUS AGAIN. Judge Gear issued a writ of habeas orpus yesterday for the return of the body of D. Ferreira, before him this morning. Ferreire is alleged to have been illegally sentenced to prison by Judge Gear at the last term of court. Humphreys having been holding court at the same time.

JUDGE LITTLE SUSTAINED. The Supreme Court handed down a decision yesterday affirming the judg- ministrator of the estate of Kala Kahas, il.
